## A MESSAGE FROM THE PRINCIPAL

On behalf of the staff and myself, I would like to extend to you and your children a warm welcome to our school community. Whether your child is coming to school for the first time or continuing their education at Churchill State School, I would like to assure you of our vital interest in every aspect of their development, as they grow socially, achieve academically, find happiness, success and security, and develop a love of learning. At Churchill, we will provide quality education programs across all Key Learning Areas following the Australian Curriculum in English, Mathematics, Science and Humanities as well as offering a wide range of extracurricular activities.

To help us achieve the best for your child, we rely on your active interest, encouragement and support. I therefore encourage you to regularly visit the school either to discuss aspects of your child's learning, to help in the classroom or to help in other areas of the school. Our school has a strong tradition of community involvement and service.

Our classrooms, Library and Green Room are fully air conditioned. The Hall extends our exceptional facilities so that students can engage in a full range of Physical Education activities. The Outside School Hours Care also offers first class programs to students.

I hope you find this handbook useful. Please use it as a reference and if questions arise which are not answered here, don't hesitate to ring the office.

I hope you have a long and enjoyable association with Churchill State School.

## **ACCIDENTS AT SCHOOL**

Despite all our care and supervision, accidents at school do happen. The only treatment teachers are able to give is first aid. This is an immediate, temporary measure given by a teacher or an aide in the case of minor accidents. In the event of a serious accident, an ambulance will be called to the school and the child will be taken to the nearest hospital. Every effort will be made to contact and advise you in these circumstances. However, if you cannot be contacted, the school will act in the best interests of your child.

The school is not responsible for any expenses incurred in seeking medical attention for a sick or injured child.

## **ADMISSION TO ENROL**

Prep is the first year of school and provides the foundation for your child's education. It is a full-time program held in primary schools. Children attend Monday-Friday, for a full day.

Children must be 5 by 30 June in the year they enrol. Check the table below to see when your child can start Prep.

Child born	2019	2020	2021	2022	2023

## **APPOINTMENTS**

Parents seeking appointments with the Principal or Teaching Staff should contact the school for an appointment. This practice allows us to plan a time suitable to both parties. Parents should not approach teaching Staff during teaching sessions. All urgent matters to the office ONLY.

## **ASSEMBLY**

Assembly is held every Friday at 9am in our school hall.

## **ATTENDANCE - Absences**

Parents are required to notify the school of pupil absences by QParents, telephone or in person before 9:00am each day. A SMS text message will be sent to a nominated parent requesting a reason that the student is absent from school. If a student is absent for more than **3 consecutive days a Dr's Certificate is required**. Where it is known the student will be absent for a period of time, notification should be provided as soon as possible. When a student is away from school for more than 10 consecutive school days an Application for Exemption form must be completed prior and submitted to the office for approval. This procedure is a requirement of the Department of Education (Qld) and is in the interest of your child's safety and well-being. Your cooperation is therefore requested.

Children who attend school regularly have better attendance, better friendships, become better readers and do better academically. **EVERY DAY COUNTS.**

## **Arrival at School**

We urge children not to be left at School before 8:30am. The school cannot accept any responsibility for very early arrivals and families should arrange their own child minding facilities if required. The Before / After School Hours Care program provides a reasonably priced facility for children requiring supervision before and after school. Phone 3810 4316 or 0437 557 335.

All children arriving prior to 8:30am are to go **directly to the undercover area** and remain seated until the 8:30 bell.

All students who arrive after 8:50am **must** go through the office for a late slip.

Students who walk home leave the school directly at 2.50pm exiting by the front gates.

The school has a **Kiss and Go Zone** at the bottom car park. If you intend to use this loading zone in the afternoon, please contact the administration for a name tag to display in your vehicle. Students will wait under the shade of the hall. Staff will direct the students to the pickup zone as their parents arrive. If you arrive before your child, you will need to drive the block and re-enter the zone. Please be patient and do not overtake vehicles in this car park as this is not a safe practice for our children.

A camp for combined Years 4 and 5 is currently under investigation for appropriate camps and viability. Parents will be advised as soon as possible when an opportunity for a camp arises.

## **CHANGE OF ADDRESS AND PHONE NUMBER**

It is absolutely essential that address, phone numbers, emergency contacts, custody and medical information is kept current.

***An up to date school record of contact telephone numbers is most vital at the time of an emergency.***

***This can be done easily through the QParents App.***

## **HOMEWORK**

The importance of homework in teaching primary children the habits and skills of independent study is recognised by this school. In readiness for secondary school, tertiary study and a future, children need to learn to undertake independent study and organise their time.

Department of Education (Qld) guidelines for homework each week are:

- Prep: General activities
- Years 1—3: Up to 1/2 hour
- Years 4—5: Up to 1 hour
- Years 5—6: Up to 1 hour

We have a whole school approach to homework to support families. Students in years Prep -6 students are expected to read for 20 minutes each night for homework. Children who do not get the opportunity to read at home, will have the opportunity to read in the Library at break time. The ability to read improves student confidence and achievement in all areas of the curriculum.

Student A Reads	Student B Reads	Student C Reads
❖ 20 minutes per day.	❖ 5 minutes per day.	❖ 1 minute per day
❖ 3,600 minutes per school year.	❖ 900 minutes per school year.	❖ 180 minutes per school year.
❖ 1,800,000 words per year.	❖ 282,000 words per year.	❖ 8,000 words per year.
		
❖ Scores in the 90 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 50 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 10 <sup>th</sup> percentile on standardized tests.
If they start reading for 20 minutes per night in Kindergarten, by the end of 6 <sup>th</sup> grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 school days, and Student C will have read for 3.		
<b>WANT TO BE A BETTER READER? SIMPLY READ.</b>		

## HOUSES

Upon admission to the school, children are allocated to a spirit house:

- Oxley – blue

All siblings are allocated to the same house.

House meetings are held every Friday at 8:50am prior to assembly.

Our Churchill State School House Cup is awarded at the end of the year. When students earn behaviour tickets, WOWS, these earn points for their house. Students can also earn points for their house through inter-house competitions run each term. At Churchill State School, we place an emphasis on teaching children the skills of confidence, resilience, organisation, persistence and getting along. This annual contest allows us to test our students on these skills through a fun and memorable experience.

## **LEVY**

See Student Resource Scheme.

## **LIBRARY**

We have a dedicated teacher-librarian who runs library activities and competitions. Our library contains a wide range of reading material that children are encouraged to borrow either to read for enjoyment or to use for research purposes. Lost library books will incur a replacement fee.

## **LIBRARY BAG**

A library bag is necessary so that your child can borrow from the school library. The purpose of this bag is to protect the library book during transit to and from school. Any strong fabric will serve the purpose adequately. The bag needs to be approximately 30 cm x 35 cm (no smaller) when finished, with a drawstring through the top. The child's name needs to be displayed prominently on the bag.

## **LOOSE PARTS PLAY**

## **MAP**

See [appendix](#)

## **MEDICATION**

ALL Students requiring medication will need a "Request to Administer Medication at School" form filled out and dated – these MUST be handed into the Administration office along with the medication.

Churchill State School is implementing the Department Education Queensland Blister Pack system for medication for ALL students who take daily medication.

The pharmacist dispensing your child's medication can provide blister packs, which package tablets into individual, tamper proof cavities. By having tablets stored in blister packs, schools can easily identify how many tablets are provided to the school for administration. This option reduces the risks associated with large numbers of loose tablets in bottles which could be more easily lost and/or stolen.

Parents are asked to note the instructions reprinted below under which schools are required to adhere to in relation to students and medication.

- ...*"Should medication, prescribed by the student's medical practitioner, be required to be administered while the student is at school or involved in school-approved activities, a parent/legal guardian must, in the first instance, make a written request to the Principal of the School.*
- *Where a teacher or other adult person on the school staff, authorised by the Principal to give medication, the instructions provided should be written on the medication container / blister pack by the pharmacist at the medical practitioner's direction.*
- *The instructions of the medication to be administered, as well as the quantity of medication to be administered, must be on the container / blister pack.*
- *Non-prescribed oral medications (such as analgesics and over-the-counter medications) will not be administered by the teachers or other persons on the school staff."*

The Queensland Government procedures relating to administration of routine and emergency medication for the management of health conditions, mean parents must report to the school any student who has a health condition requiring medication at school and advise the school when a change of dosage is required.

The Administration Assistant keeps a record of all medications which are kept in a locked cabinet in the office. If a child requires ongoing medication over a long period of time, a letter from the general practitioner must be sent along with the medication, which should be in the prescribed container / blister pack. Parent assistance in helping us meet these requirements is greatly appreciated.

### **MOBILE SMART DEVICES**

Mobile Smart including phones and watches need to be handed into the office as soon as you walk on school grounds. The school takes no responsibility for electronic devices unless they are handed in at the office. Misuse of a mobile devices may lead to suspension. Please see the Student of Conduct for further details.

# N

## **NAPLAN**

Teachers and parents are encouraged to arrange interviews, should the need arise. Parents can help teachers gain a better understanding of their children. Parents in turn, can learn more about their child's progress. The whole purpose of an interview is to form a cooperative working relationship that works together for the benefit of the child. Should problems arise at school, please contact your child's teacher or the principal. Refer to **Interviews** for details on Parent Teacher Interviews.

## **RAIN PLAY**

During wet weather, students may go outside to play in the rain. To participate in rain play, students must keep at school a rain coat with a hood as well as gumboots or other rain shoes. Rain play occurs if it is deemed safe to play outside.

## **RELIGION**

### ***Religious Instruction***

Religious instruction (RI) is offered at the school and is conducted on Mondays from Year 1 to Year 6.

Queensland state schools embrace a multitude of cultural, religious and non-religious beliefs. Under the Education (General Provisions) Act 2006, schools are to provide RI each week if approached by a faith group seeking to provide RI and students of that faith attend the school.

RI informs students about the beliefs and values of a particular religion. It is delivered by volunteers of a faith group using instructional materials approved by that faith group.

All RI instructors must hold a blue card and participate in compulsory Student Protection and Code of Conduct training. RI instructors are only entitled to deliver the RI program outlined below. A school staff member will be present during the delivery of RI.

Participation in RI is not compulsory. Any student (except Prep students) may participate in RI if a parent has given consent and indicated a religion on the Application for Student Enrolment Form or in other written advice to the principal. A parent, regardless of their own faith (if any), may choose to give consent for their child to participate in one of the RI programs listed below.

Any child not participating in RI, or whose nominated religion is not represented within the RI program/s at the school, will receive other instruction by a qualified member of school staff in a separate location during the time RI is held. Other instruction will relate to subject areas that have already been covered in class.

At any time, parents may provide written instruction to the principal to change their preference for their child to participate in or be withdrawn from RI. If a parent does not update their consent by completing and returning this form, their previous written instructions to the school will continue to apply.

The faith groups that provide religious instructors to deliver the program at our school are listed below:

Further details about our school's RI program/s and other instruction are available on the school's website and in the school's handbook. You may also wish to access the Department's RI policy statement available at <http://education.qld.gov.au/schools/school-operations/ri-policy-statement.html> for further information.

The school will advise parents of child/ren participating in these programs if a faith group requires funds to cover the expense of materials used in RI.
