STUDENT

I understand that the internet can connect me to much useful information stored on computers around the world; that the school cannot control what is on those computers and that a small part of that information can be illegal, dangerous or offensive.

- While I have access to the internet I will use it only for education purposes.
- I will not look for anything that is illegal, dangerous or offensive.
- If I accidentally come across something that is illegal, dangerous or offensive I will
- Clear any offensive pictures from my screen; and
- Immediately, quietly inform my teacher.
- I will not reveal home addresses or phone numbers – mine or anyone else's.
- I will not use the internet to annoy or offend anyone else.
- I understand that if the school decides I have broken these rules, appropriate action will be taken.

This may include the loss of internet access for some time.
