Principal's foreword

Introduction

Churchill State School has continued to be recognised in the district as a school which both caters for diversity and ensures that its students feel welcomed and settled in their education. The introduction of the **Churchill Champion Framework** has tightened the school's focus on improving education for all students. The school values of:

Be Respectful Be Responsible Be Safe are embedded in all aspects of school culture.

The school is part of the Ipswich Cluster and is actively involved in cluster initiatives, including Closing the Gap on Indigenous Education and leadership forums. Interaction with neighbouring schools and schools within our cluster has continued ensuring diversity in the delivery of teaching programs.

Work undertaken by the Head of Curriculum has ensured our school's curriculum is consistent with other schools in the district/cluster and the new Australian Curriculum. Our SEP teacher supports students with individual learning needs.

The redevelopment of our Resource Centre and the construction of the Hall has enhanced the already considerable facilities at the school.

Churchill State School has one of the best ovals in the district and offers a wide range of sports both in Summer and Winter.

School progress towards its goals in 2013

The school met the core of its goals in relation to developing curriculum and making the Pedagogical Framework explicit. Considerable focus was on the improving literacy in the school and working towards creating a centralised curriculum. A reading framework was developed and significant professional development was done around developing reading strategies. A reading coach was engaged and several teachers were supported in their understanding of 'what good teaching of reading looks like at Churchill State School. Children are encouraged to read daily. An assessment framework was finetuned to establish minimum standards and benchmarks in our lower grades.

Teachers continued to work on other subjects being developed in the C2C. History is being taught by a

Queensland State School Reporting

2013 School Annual Report

specialist teacher that also provides teachers with a non-contact time.

Considerable work has been completed in establishing a supportive school environment. Levels of behaviour are supported with the distribution of bracelets according to the levels. Only children maintaining good behaviour are invited to special school events. The student council plays an active role to support our positive school environment. Good use is being made of our Chaplain in supporting children with 'intense' social skill support.

Teachers have actively engaged with electronic formats for the delivery of lessons and engage with the Education Queensland's C2C version.

Future outlook

Through the provision of specialised professional development of our teaching staff we will continue to build capacity to deliver high quality programs. Specialist teachers will be engaged to support teacher to teach Numeracy, Literacy, Physical Education, Music and History.

There will be a heightened expectation that the number of pupils above the national benchmark for Reading and Numeracy will increase. We will start to develop strong expectations around the Upper 2 Bands and extension of children in literacy and numeracy.

The continuation and introduction of a number of on-line learning programs will support the teachers in delivering curriculum at the right level of differentiation e.g. U2B Maths, Solid Pathways, LOTE, Reading Eggs and Mathletics for point of time delivery.

The Pedagogical Framework will assist staff in quality curriculum delivery with the focus on embedding a deep understanding in the core curriculum areas. Parts of this framework will act as the basis for developing a common understanding of Explicit Teaching and what that means at Churchill State School.

Our school will continue to be involved in the two programs began in 2013

Step Up into Education:- a pre-prep program

Literacy Coaching

Our supportive school environment will be extended with a new 'Playfriends' program being established to support the younger children in their play and friendship groups. Children from Year 6 & 7 will be trained to support play.

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2013: Prep Year - Year 7

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2011	342	169	173	91%
2012	356	179	177	91%
2013	340	179	161	93%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

The overall student population is comprised of roughly equal numbers of girls and boys. Most students come from a variety of socio-economic households.

The majority of parents are supportive of the school and work closely to ensure that issues are quickly sorted with satisfactory outcomes. Enrolments in the school have remained healthy despite the opening of a new school within a 5km radius of Churchill State School.

Average Class sizes

Phase	Average Class Size		
	2011	2012	2013
Prep – Year 3	24	24	26
Year 4 – Year 7 Primary	26	26	27
Year 7 Secondary – Year 10			
Year 11 – Year 12			

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2011	2012	2013
Short Suspensions - 1 to 5 days	26	61	28
Long Suspensions - 6 to 20 days	3	6	4
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Curriculum offerings

Our distinctive curriculum offerings

Lote – Japanese in Years 6 and 7 – online; Literacy and Numeracy support for non-LOTE students

Instrumental Music

Junior & Senior Choirs

History – Specialist subject

Extra curricula activities

Extra curricula activities

Chess

All areas of sport (Rugby, AFL, Netball, Hockey, Soccer)

Friends For Life and Bridge Building

How Information and Communication Technologies are used to assist learning

Teachers are engaging in using the on-line resources provided in Curriculum Into the Classroom, Education Queensland's Curriculum. Some of the learning takes a digital format as outlined below:

Published work: Microsoft Word and Microsoft Publisher

Spreadsheets: Microsoft Excel (data collection and graphing)

Multimedia: Powerpoint (for presentations)

GIMP (for graphical work)

Microsoft Paint (for graphical work)

Movie Maker (production of digital movies)

Research: Internet (utilizing Internet Explorer and Google)

Microsoft Encarta

Email: Managed Internet Services

IWB: All Key Learning Areas

Ipads: To support Differentiation programs for special needs and classroom programs

Japanese: Lote delivered through Distance Education

Maths U2B & Solid Pathways

Our school at a glance

Social climate

Churchill State School provides a range of services that support students and families. Our School Opinion Survey indicates significant approval for the school with our parent and student bodies. We have an active Student Support Service program.

The school's Code of Behaviour is based on rewarding good behaviour and assisting students to develop positive social interactions. Churchill Champions are acknowledged through rewards and a coloured band system. We reward those children having appropriate behaviour with specialised activities at the end of the year. Anti-Bullying programs are delivered at classroom level as well as through a range of targeted programs such as Life Education.

Our Chaplaincy Programs runs a variety of programs to support students with social and emotional problems including Friends For Life.

The HAST program has been enormously successful in encouraging students to eat well and travel safely to school.

The Before and After School Care program is well used and popular

Parent, student and staff satisfaction with the school

Churchill State School has an active parent body and is always well represented at sports days, parades and social functions. Parents believe that this is a good school and recommend it over other schools.

Our TravelSmart program is popular with students and parents.

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

#Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

The school's newsletter and website were both redesigned to be more "friendly" for parents. Messages of encouragement are sent via both forums to ensure parents are aware of events and encouraged to attend.

Individual classroom teachers write class-based newsletters outlining what is happening in the classroom and inviting parents to participate in classroom activities.

The school has special celebrations like a week of NAIDOC celebrations with competitions and learning activities, and under 8's day.

We have an active parent involvement program and many parents assist each day with reading in classrooms. Many parents attend out assembly on Monday afternoon's to see their children rewarded for their efforts.

Reducing the school's environmental footprint

The first stage of Solar power has helped reduce power consumption. Our school is a "Lights Out" community with no lights being left on at night. Teachers are reminded to use air conditioning only when necessary and to maintain it at 26 degrees.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2010-2011	101,968	799
2011-2012	96,000	1,116
2012-2013	109,180	1,093

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

Our staff profile

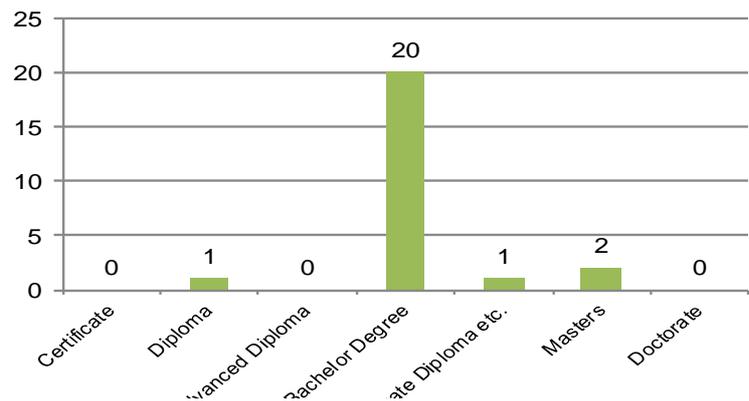

Staff composition, including Indigenous staff

Our staff has varying levels of experience, from some staff having over 26 years in this school environment to a teacher being newly employed this year.

2013 Workforce Composition	Teaching Staff *	Non-teaching Staff	Indigenous Staff
Headcounts	24	14	<5
Full-time equivalents	20	10	<5

Qualifications of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	0
Diploma	1
Advanced Diploma	0
Bachelor Degree	20
Graduate Diploma etc.	1
Masters	2
Doctorate	0
Total	24

* Teaching Staff includes School Leaders

** Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2012 were \$10,338.

The major professional development initiatives are as follows:

- ☞ Australian Curriculum-C2C
- ☞ First Aid Training
- ☞ Reading Strategies
- ☞ Prep and Pre-Prep pedagogy
- ☞ Behaviour

Our staff profile

The proportion of the teaching staff involved in professional development activities during 2013 was 100%.

Average staff attendance	2011	2012	2013
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of staff retained from the previous school year

From the end of the previous school year, 92% of staff was retained by the school for the entire 2013 school year.

School income broken down by funding source

School income broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Find a school

Search by school name

Search by suburb, town or postcode

Sector Government
 Non-government

Where it says 'Search by school name', type in the name of the school you wish to view, and select <GO>. Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being given access to the school's *My School* entry web page.

School financial information is available by selecting 'School finances' in the menu box in the top left corner of the school's entry web page. If you are unable to access the internet, please contact the school for a paper copy of income by funding source.

Key student outcomes

Student attendance	2011	2012	2013
The overall attendance rate for the students at this school (shown as a percentage).	92%	93%	91%
The overall attendance rate in 2013 for all Queensland state Primary schools was 92%.			

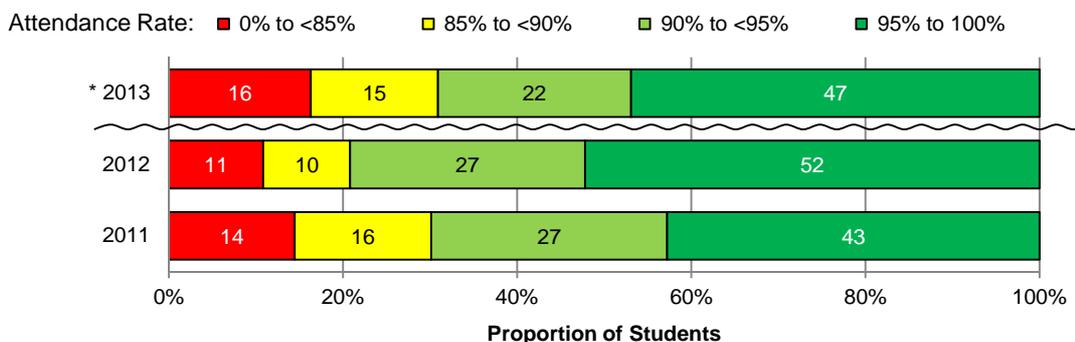

Student attendance rate for each year level (shown as a percentage)

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2011	90%	94%	93%	92%	94%	93%	90%					
2012	95%	93%	95%	93%	93%	93%	91%

Student Attendance Distribution

The proportions of students by attendance range.

* The method for calculating attendance changed in 2013 – care should be taken when comparing data from 2013 to that of previous years.

Description of how non-attendance is managed by the school

Performance of our students

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Where there are concerns about student attendance the following measures are in place:

Phone call placed by classroom teacher with follow up call by Deputy or Principal.

Monitoring of attendance by Deputy or Principal

Notification in writing to the parent or guardian

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

The screenshot shows a search interface titled "Find a school". It contains two main search sections. The first section is "Search by school name", which includes a text input field and a blue "GO" button. The second section is "Search by suburb, town or postcode", which includes a text input field, a "Sector" label with two radio button options: "Government" and "Non-government", and a blue "SEARCH" button.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Achievement – Closing the Gap

Our Aboriginal and Torres Strait Islander student's achievement at Churchill State School is mixed however the majority of students are at or around the school mean. Year 5 shows a particular strength with no to little gap in reading, writing and numeracy. Our Year 7's also show no gap in writing. We still have work to do with our younger co-hort of children.

Student attendance can vary depending on family issues however, on the whole it is slightly above the non-

Performance of our students

indigenouswith most students regularly attending. Indigenous parents value education.

The school has been active in involving and engaging with Indigenous parents, students and community issues. We have committed staff and parents with an active involvement in Indigenous affairs.
